

No Woman, No Cry

Bob Marley

**No woman, no cry.
No woman, no cry.
No woman, no cry.
No woman, no cry.**

Say, say

Said I remember when we used to sit
In the government yard in Trench-town
Oba, observing the hypocrites
As they would mingle with the good people we meet,
Good friends we had, oh good friends we've lost along the way
In this bright future you can't forget your past
So, dry your tears I say...

**No woman, no cry.
No woman, no cry.
Here little darling don't shed no tears
No woman, no cry.**

Say, say

Said I remember when we used to sit
In the government yard in Trench-town
And then Georgie would make a Firelight
As it was log wood burning through the night
Then we would cook corn meal porridge
Of which I'll share with you
My feet is my only carriage
So, I've got to push on through
But while I'm gone I mean...

Everythings gonna be all right.
Everythings gonna be all right.
Everythings gonna be all right.
Everythings gonna be all right.
Everythings gonna be all right.
Everythings gonna be all right.
Everythings gonna be all right.
Everythings gonna be all right.

**So woman, no cry.
No, no woman, no cry.
Oh, my little sister don't shed no tears.
No woman, no cry.**
