

**Rolling in the Deep**  
**Adele**

There's a fire starting in my heart  
Reaching a fever pitch,  
It's bringing me out the dark  
Finally I can see you crystal clear  
Go ahead and sell me out  
And I'll lay your ship bare

See how I leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch  
And its bring me out the dark

**The scars of your love remind me of us**  
**They keep me thinking that we almost had it all**  
**The scars of your love they leave me breathless**  
**I can't help feeling**  
**We could have had it all**  
**Rolling in the deep**  
**You had my heart inside of your hand**  
**And you played it**  
**To the beat**

Baby I have no story to be told  
But I've heard one of you  
And I'm gonna make your head burn  
Think of me in the depths of your despair  
Make home down there  
As mine sure won't be shared

**The scars of your love remind me of us**  
**They keep me thinking that we almost had it all**  
**The scars of your love they leave me breathless**  
**I can't help feeling**  
**We could have had it all**  
**Rolling in the deep**  
**You had my heart inside of your hand**  
**And you played it**  
**To the beat**

**We could have had it all**  
**Rolling in the deep**  
**You had my heart inside of your hand**  
**And you played it**  
**To the beat**

Throw your soul through every open door  
Count your blessings to find what you look for  
Turned my sorrow into treasured gold  
You pay me back in kind and reap just what you sow

We could have had it all  
We could have had it all  
It all, it all it all,

**We could have had it all**  
**Rolling in the deep**  
**You had my heart inside of your hand**  
**And you played it**  
**To the beat**

**We could have had it all**  
**Rolling in the deep**  
**You had my heart inside of your hand**  
**And you played it, you played it, you played it**  
**To the beat**
